

DGR

Recurrent Dangerous Goods Regulations

This course is designed to teach the participant to understand the recent changes made by the ICAO and the IATA, and the details on the current edition of the IATA Dangerous Goods Regulations.

Objective

A recurrent training on the Dangerous Goods Regulations must be taken within 24 months following your completion of the Initial Dangerous Goods Regulations course. This course is designed to teach the participant to understand the recent changes made by the ICAO and the IATA, and the details on the current edition of the IATA DGR.

The Recurrent DGR course meets the training requirements for personnel listed in categories 1, & 3 as per Table 1.5.A of the IATA DGR.

Benefits:

- Strengthen an awareness of the legal requirements, operational restrictions and governing entities
- Refresh the essential skills to properly prepare, check, and process dangerous goods shipments
- Case sharing on Hidden Dangerous Goods in daily operations
- Learn the essential workplace safety measures

Designed for:

- Airline acceptance staff, shippers and freight forwarders
- Cargo training and development specialists
- Ground handling and load control staff involved in the cargo chain
- Regulatory compliance specialists
- Operations and station managers

Course Contents:

- Same as Initial Dangerous Goods Regulations (DGR) training course

Language: Cantonese with English course materials

Assessment and Recognition:

- To be eligible for the award of the certificate, participants must PASS the test with 80 marks or above (total: 100 mark). A student obtaining a score of less than 80% is failed.
- If a student obtains a score with 90 marks or above, a wording "**Pass with Distinction**" will be marked on the certificate
- Only person who passed the Dangerous goods Regulations training course within the past 24 months can sign the "Shipper's Declaration for Dangerous Goods".

Admission Requirements:

- Applicants must be a certificate holder of recognized "Initial Dangerous Goods Regulations Training" or "Recurrent Dangerous Goods Regulations Training" course which is not yet expired. (Proof of certificate is required.)
